

VOLANT RODEO

JUNE 18-22, 1984

4TH ANNUAL COMBAT CONTROL REUNION

JUNE 22, 1984

INTRODUCTION

COMBAT CONTROL ASSOC.
124 Granary Court
Troy, Illinois 62294
Phone: (618) 667-2559

To All Attendees,

November 10, 1984

The Fourth Annual Combat Control Reunion and the Volant Rodeo Competition brought together the finest combat controllers from the present and from the past. These two events let us also, demonstrate our professionalism and camaraderie to each other and to our Allied CCT friends. As competitions come and go, so do many of the memories. This year, in order to keep those memories alive forever, we decided to capture them in a "Memory Book". I anticipate you will enjoy looking through your book now, and will cherish it for many years to come.

Many thanks to the Reunion Committee Members that worked hard to make this reunion a success. A special thanks to John and Sue Koren for hosting the CCT Golf Tournament and the Ladies Social, respectively. I would be remiss not to mention Nancy Brown for all her hard work; and to the Pope Gang, I am personally grateful.

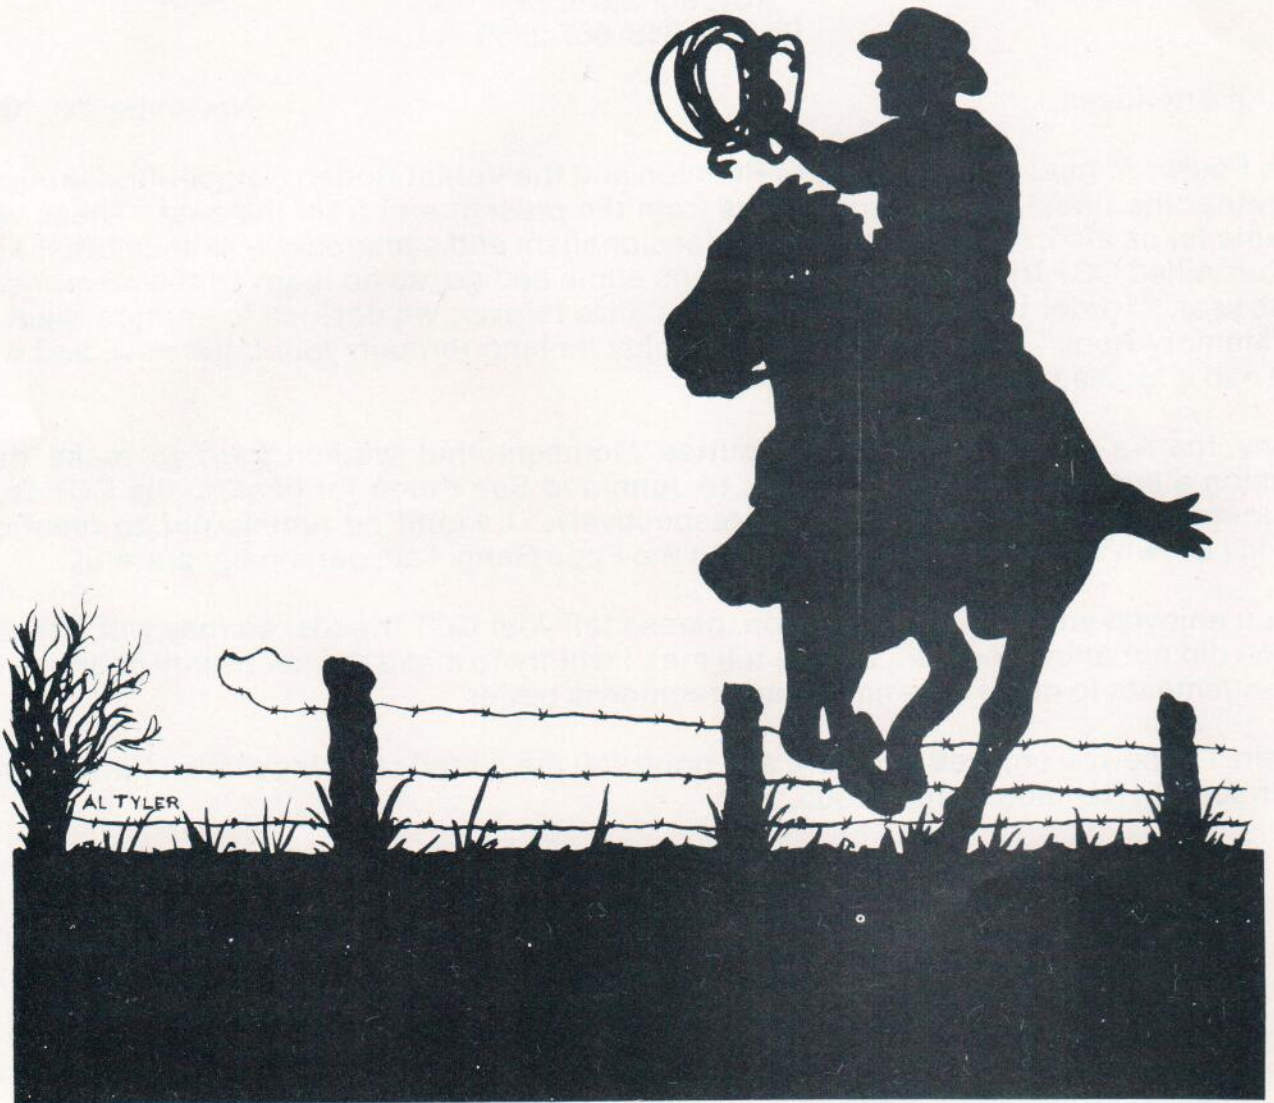

If you enjoyed yourself at the reunion, please tell your CCT friends, so they will attend. If you did not enjoy yourself, please tell me! I will try to make the necessary changes or arrangements to make sure next year's reunion is better.

Again, I hope you enjoyed yourself, and hope you are already making plans to attend the Fifth Annual Reunion in June 1985.

With Warm Regards,

WAYNE G. NORRAD
President

VOLANT RODEO TEAMS

Heraldry

"Per bend sinister, azure and argent, a lightning bolt or, the first charged with a canopy of the second, the second charged with a compass rose the proper barbs East and West party per fess, North and South party per fess, North and South party per pale, countercoloured gules and the third, subordinate barbs vert, the shield fimbriated of the third and a bordure, dexter base to sinister base, of the second, with sable inscription."

Significance

The Lightning Bolt represents the communication aspect of the Combat Control Team and also portrays the quick reaction of the teams to meet a world-wide challenge.

The Parachute Canopy is indicative of the Primary form of deployment.

The Compass Rose represents the world-wide deployments of the teams and the ability to navigate by land.

The Blue Background represents Combat Control's air mission as a proud member of the United States Air Force.

The Silver Background is a token of our reliance on Aircraft.
